## Aimia Announces Renewal of its Normal Course Issuer Bid

MONTREAL, May 13, 2013 /CNW Telbec/ - Aimia Inc. (TSX: AIM) announced today that it has received approval from the Toronto Stock Exchange respecting the renewal of its normal course issuer bid to purchase for cancellation up to 17,212,126 of its common shares, or 10% of the public float of 172,121,269 common shares as at May 13, 2013, through the facilities of the Toronto Stock Exchange and through alternative trading systems (such as Alpha ATS), or by other means as may be permitted by the TSX, such as prearranged crosses, exempt offers and block purchases, during the period from May 16, 2013 to no later than May 15, 2014. Aimia may also purchase common shares for cancellation by way of private agreements under an issuer bid exemption order issued by a securities regulatory authority. Purchases made on the open market through the facilities of the TSX and alternative trading systems will be at the prevailing market price at the time of acquisition. Purchases made by way of private agreements under an issuer bid exemption order issued by a securities regulatory authority will be at a discount to the prevailing market price as provided in the exemption order. As at May 13, 2013 there were 172,466,957 common shares issued and outstanding.

The average daily trading volume on the Toronto Stock Exchange for the past six months was 605,248 common shares. Under the regulations of the Toronto Stock Exchange, a maximum daily repurchase of 25% of this average may be made, representing 151,312 common shares. In addition, Aimia may make, once per week, a block purchase (as such term is defined in the TSX Company Manual) of common shares not directly or indirectly owned by insiders of Aimia, in accordance with the regulations of the Toronto Stock Exchange. The common shares purchased pursuant to the normal course issuer bid will be cancelled.

The Board of Directors of Aimia has concluded that the repurchase of common shares represents an appropriate use of funds to increase shareholder value, as the underlying value of Aimia may not be reflected in the market price of its common shares from time to time.

From May 16, 2012 to May 13, 2013, Aimia did not purchase any of its common shares pursuant to its current normal course issuer bid.
